

A Field Notebook for Oral History

Compiled by Stacy Ericson, revised by Troy Reeves.

Boise: Idaho Oral History Center, 2001

4th ed.

We are sorry!!

The ever-popular Field Notebook for Oral History is temporarily out of print while we prepare a brand new edition. Watch for the 2009 edition coming in late June.

Until the new edition comes out, it is possible to borrow a copy of the previous edition from us on interlibrary loan. Please contact your local librarian for assistance.

Thank you.
